Died of Heart Disease.

Captain James D. Boyd, aged 56 years, in command of the Baltimore and Ohio Railroad Company's steam tug Convoy, died suddenly at 5.15 o'clock yesterday afternoon, of heart disease, at his residence No. 203 Bank street. For some time past he had been complaining of pains in the region of the heart, and yesterday, feeling unwell, he left his boat and going home retired, refusing to see a physician, as he expected the pain to pass away. About 5 o'clock his wife took a cup of tea to his room, when she found him in a dying condition. Dr. Mansfield was summoned, but the patient was dead before his arrival. He leaves a wife and four children. Coroner Morfit deemed an inquest unnecessary.
